Subject: ESC Digital & AI Summit 2025

Dear National Cardiac Society President,

Following the ESC Congress in Madrid, which was a resounding success, we are writing to you in our capacity as Chair of the Digital Cardiology and AI Committee (DCAI) of the ESC, and Chair of the DCAI Policy Subtheme – and as long-standing friends of your esteemed society, to reconnect to further strengthen collaboration between our societies in the area of digital health and artificial intelligence in cardiology.

We have long emphasized the need for each national cardiology society to establish a well-organized DCAI group that can collaborate systematically and professionally with the ESC DCAI Committee across a number of projects.

At the upcoming ESC Digital & AI Summit 2025, which will take place in Berlin from Friday, 21 to Saturday, 22 November, an event of great importance, we wish to invite you to attend the meeting as President of the Society to exchange on the importance of this topic across our societies.

To build on our community of experts, we also encourage you to come to Berlin with identified leaders of your Society in the domain.

We are therefore delighted to offer a special rate at a 30% discount from the early fee (€455) for up to 10 participants of your Society to attend the Summit on your invitation. To confirm **your free registration and to activate the discounted invitation for up to 10 delegates from your Society**, please [complete your details here](#).

Our mission: to reduce the burden of cardiovascular disease. 

Headquarters: The European Heart House - Les Templiers - 2035, Route des Colles - CS 80179 BIOT - 06903 Sophia Antipolis Cedex - France
Tel. +33 (0)4 92 94 76 00 - escardio.org

ESC Brussels Office: 34 Rue de la Loi - 6th floor - B-1040 Brussels - Belgium - Tel. +32 (0)2 274 10 70

SOCIÉTÉ EUROPÉENNE DE CARDIOLOGIE Association loi 1901 - Déclaration du 08/04/1992 N° 1/10006 J.O. N° 18 du 29/04/1992 - SIREN 403 299 480
